*"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover." ~ Mark Twain*

## Retreat History

WE (Becky and Jerry Edwards) began the Alpaca Fun Retreat as a location to bring together those who enjoy sharing their passion with All Things Fiber in a relaxing fun atmosphere.

Becky is an avid craftswoman that loves all fiber arts, scrapping, quilting, knitting, etc. Jerry is a retired Navy Chef, with a passion for cooking, woodworking and gardening.

Located between Punta Gorda and Fort Myers, Alpaca Fun Retreat offers its guests the comforts of a boutique hotel along with amenities that scrap bookers, quilters and all craft lovers desire. Take advantage of the large kitchen and dining room, utensils and cookware. Come enjoy the heated swim spa and large grill outdoors!

Each guest has their own space, but can still participate in the fun group atmosphere. The retreat house has over 4,000 square feet of dining, crafting and sleeping space inside and 3 acres of peaceful land outside. There is seating spots around the property to relax and enjoy nature, plus outlet malls and beaches just a short drive away. It doesn't matter what your hobby is, you will enjoy a serene, inspiring location to spend some time. Call and reserve your dates, and bring your friends! We can't wait to meet you!
